ABOUT US

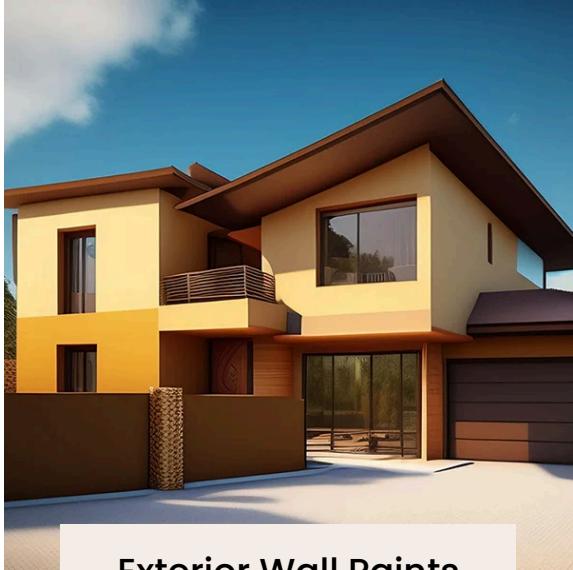

At Pankaj Paints Pvt. Ltd. , we are committed to the socially and environmentally responsible production of high-quality paints. We're committed to an ongoing research program, and are proud to breathe new life into the best colors and patterns from the past.

We are the only paint maker still producing a complete range of traditional and modern finishes. Our portfolio includes interior and exterior finishes, and a signature range of Intelligent Paints, especially designed for today's busy homes. Our environmentally-friendly paints are amongst the highest quality available. We insist on using the finest and safe synthetic pigments, giving superb depth of color, high covering power and the long life.
